Yousif Mounir

Ad Daqahliyah, Egypt | (+20) 1010647147 | [Linkedin](#)

Objective

Detail-oriented Front-End Developer with experience in creating responsive and user-centric web applications. Skilled in HTML, CSS, JavaScript, and modern frameworks to deliver seamless user experiences. Seeking to leverage my expertise in front-end technologies to contribute to innovative projects and enhance user satisfaction

Education

Mansoura University   **Ad Daqahliyah, Egypt**
Bachelor's of Science, Computer Science   Oct 2021 - Present

Al Nahda National School   **Abu Dhabi, UAE**
American Diploma   Sep 2018 - June 2021

Work Experience

Brainset Company   **Ad Daqahliyah, Egypt**
UI/UX Trainee (remote)   Oct 2022 - March 2023
- Worked as a UI/UX trainee (Internship) for 6 months
- Assisted in designing intuitive user interfaces for web and mobile applications, focusing on enhancing user experience and accessibility. Collaborated with senior designers to create wireframes, prototypes, and user flows. Conducted user research and testing to gather insights and iteratively improve design solutions, ensuring alignment with client and user needs.

Digital Egypt Pioneers Program (DEPI)   **Ad Daqahliyah, Egypt**
Front-End React Developer Trainee   Nov 2024 – May 2025
- Completed an intensive training program in React.js and front-end web development.
- Gained hands-on experience building responsive, interactive, and user-friendly web applications.
- Strengthened skills in JavaScript (ES6+), HTML5, CSS3, and UI/UX principles.
- Worked on practical projects simulating real-world front-end development tasks.
- Collaborated with peers in a structured training environment to enhance teamwork and problem-solving abilities.
